Versatility
Soft Skill
Flexibility and
Adaptability

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

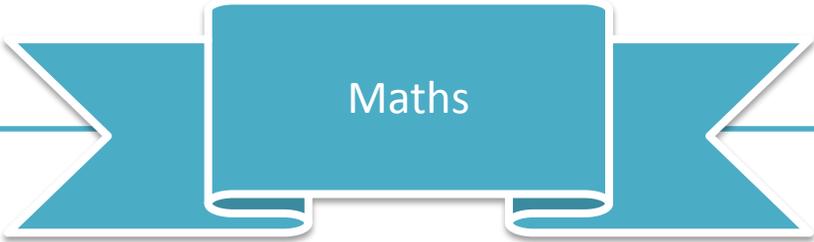

English

This half term our topic is 'The News'. This will include non-fiction news writing, comprehension skills using media clips, interviews - asking and answering questions and weather reports. This topic will focus on speaking and listening skills.

Teacher: Jo Slingo

jo.slingo@lighthouseschool.co.uk

Maths

Next half term, we will be having a new maths teacher in Lighthouse School, Phil. Phil will focus on developing number skills (place value, operations, fractions, etc...), and embedding these skills in a range of different contexts through long-term projects. Phil will also look at developing reasoning and problem-solving skills.

Teacher: Phil Kilbride

Phil.Kilbride@lighthouseschool.co.uk

Science

Will be completing a module on energy transfers and what energy is used for as well as taking part in a STEM project (science, technology, engineering and maths)

Teacher: Caroline Maston
caroline.maston@lighthouseschool.co.uk

Computing

In Computing, we will be learning about different types of data and how to create simple databases. We will learn how to search and sort our database and will create our own database as part of a project.

Teacher: Michelle Hoole
michelle.hoole@lighthouseschool.co.uk

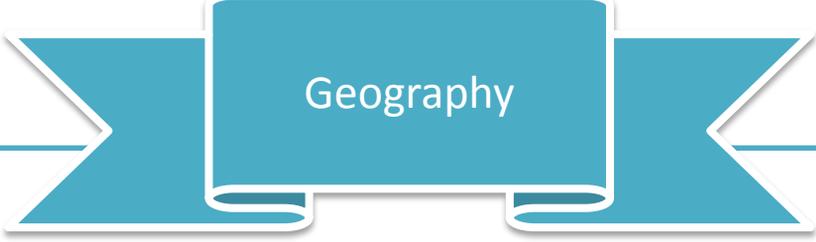

RE

In RE we will be thinking about how amazing the world around us is. We will look at the Christian story of creation in the Bible and think about what responsibility people have to look after the world.

Teacher: Heather Hobbs

heather.hobbs@lighthouseschool.co.uk

Geography

In Geography we will be learning about different weather types and the problems they may cause. We will discuss why forecasting the weather is important and look at how weather is measured and recorded.

Teacher: Heather Hobbs

heather.hobbs@lighthouseschool.co.uk

Music

We will be learning about music from a wide variety of genres. Within each of these genres the students will learn some specific practical and theoretical skills, including a basic understanding of how music looks when written, a knowledge of some key musical terms and their meanings as well as an introduction to playing keyboard and some percussion instruments. There will also be a heavy focus on critical listening skills

Teacher: Laurence Jones
laurence.jones@lighthouseschool.co.uk

Horticulture

This term, students are learning about basic skills in gardening. We will be grass cutting, pruning, weeding and edging. As well as participating in the construction of some seasonally based environmental art installations; planting bulbs for next spring and propagating plants for future use.

Teacher: Sarah Cullen
sarah.cullen@lighthouseschool.co.uk

PE

Circuits

Setting-up Sport

Changing into PE Kit

The challenge this term is 'Devotion' and 'Versatility' the pupil targets are to learn to get changed in and out of their PE kit, independently, in a changing room environment. Recognise how to change privately. Special emphasis will be placed on setting up sporting activities creating ownership and responsibility for the activity. Circuits allow them to exercise and get fit without the pressure to win or lose.

Teacher: Colin Sherman

colin.sherman@lighthouseschool.co.uk

PHSCE

Students will be working on personal EHCP targets as well as lessons focused on our themes around Devotion and Versatility. We will also be learning about personal safety, including Internet safety, and do activities around Holocaust Memorial Day and LGBTQ Pride Month.

Teacher: Wellbeing Team

seniortutors@lighthouseschool.co.uk

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Wellbeing

Students are focusing on Emotional Literacy targets in their groups. They are focusing on working together as a team and self-awareness targets through various activities. Some of these sessions will be student led and all are focused on the individual and group needs. Alongside this, all groups will be looking at their individual attitude to learning scales and choosing their own targets for being able to access learning with the 'best' attitude in all classes

Teacher: Wellbeing Team
seniortutors@lighthouseschool.co.uk

SaLT

Students will continue to work on developing vocabulary in different categories (such as animals, transport, and food) and answering questions between levels 1 -3 (Blanks question levels).

Teacher: Tammy Middleton
