What we are learning

Summer 1

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Literacy

We will be focusing on communication, new vocabulary and SaLT targets. We will be doing lots of work around our topic of 'Holidays' and keeping ourselves safe. If you have any information on holidays you have been on or are planning, please send this into school. Photos of places your child has visited are welcome for discussion and communication work.

Teacher: Lynn Haygarth

Lynn.haygarth@lighthouseschool.co.uk

Numeracy

We will be looking at costs and prices related to our topic of 'holidays'. We will also look at timetables, calendars, times of the day and year. We will ensure that all maths work is related to current SaLT targets.

Teacher: Lynn Haygarth

Lynn.haygarth@lighthouseschool.co.uk

Science

We will be studying a topic on space – including the planets, gravity, how day and night and eclipses occur. We'll look at space exploration and whether there could be life on other planets. This will be part of a cross curricular project with English and ICT as well

Teacher: Caroline Maston
caroline.maston@lighthouseschool.co.uk

Computing

In this term we will learn how to program Beebots and how to create animations in Scratch. We will also continue to develop ICT skills through word processing and data entry.

Teacher: Michelle Hoole
michelle.hoole@lighthouseschool.co.uk

ILS

In ILS this half term we will be looking at the topic of health and personal care. This will involve a focus around the toiletries you need to keep yourself clean, how you use them and why. We will also explore routines for keeping clean and taking care of yourself.

Health and
Hygiene

In personal targets this half term students will continue with their work around their EHCP targets specifically focusing on relaxation skills, personal care, independent living skills and communication.

Teacher: Angela Merrett
angela.merrett@lighthouseschool.co.uk

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Creative Carousel

Next term the Functional Carousel Art will focus on building on key skills that have been developed last term.

Art tasks and skills have and will continue to inform targets that are appropriate to level of understanding but will also contain challenge.

Next steps

The Functional Art, Music and Drama departments will pilot a joint project allowing all three elements to be explored in one project.

To pass Arts Award /Discover/ Explore, learners are required to create an individual arts log which demonstrates how they meet the following requirements:

Taking part in arts activities

Researching artists or craftspeople and their work sharing their arts discoveries

Teachers: Dan Robbins

daniel.robbins@lighthouseschool.co.uk

Laurence Jones

laurence.jones@lighthouseschool.co.uk

Andy Hargreaves

andrew.Hargreaves@lighthouseschool.co.uk

Community

In Community this half term students will continue discussing the rules around how to keep yourself safe and visiting different community locations to practise following these rules. We will be visiting a supermarket to buy items to use at school and also items that students need for home. During this time we will be learning the routines attached to using a supermarket and focus on being able to follow a list and use a manned and self-service checkout. Students will also visit the café once a week and work on making choices around food and drink, asking for these items and also being able to pay for them.

Teacher: Angela Merrett

A blue banner with a white outline, featuring the letters 'PE' in white. The banner is flanked by two blue shapes that resemble folded fabric or ribbon, also with white outlines.

PE

Hockey

Throw and Catch

Boccia

These sports are to enhance hand-to-eye coordination this will allow students to have achievable successes in sport. We will be introducing students to different levels of techniques to achieve sporting success.

Teacher: Colin Sherman

colin.sherman@lighthouseschool.co.uk

A blue banner with a white outline, featuring the letters 'PHSCE' in white. The banner is flanked by two blue shapes that resemble folded fabric or ribbon, also with white outlines.

PHSCE

This term we will be continuing to work on EHCP targets as well as learning about the environment, preparation for work, the red cross and disability awareness. The themes we will focus on this half term are innovation and democracy

Teacher: Wellbeing Team

seniortutors@lighthouseschool.co.uk

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Wellbeing

Students will be working on tolerance to different situations, they will be making choices around what they find relaxing and be able to develop their language in order to request what they need. Students will also be working on developing their own yoga routines.

Teacher: Wellbeing Team
seniortutors@lighthouseschool.co.uk

SaLT

Students will be continuing to develop their understanding of different aspects of language, including following 2 to 3 key word instructions and answering questions between levels 1 to 3 (Blanks question levels). These skills will then be continued throughout their day in the rest of their teaching or in the community.
