

Lighthouse School

Pupil Premium

Pupil Premium 2017-2018

The Pupil Premium 2017-2018 was allocated to local authorities and schools for pupils who are known to be eligible for free school meals, are 'children looked after (CLA)' continually for more than 6 months at any time in the last six years, and service children of i.e. children of parents in the armed services.

In addition to Children Looked After (CLA), from 2015-2016 children adopted under the Adoption and Children Act 2002 will also receive additional Pupil Premium of £1,900 per learner.

Schools have the freedom to spend the Premium, which is additional to the underlying school budget, in a way they think will best support the raising of attainment for the most vulnerable pupils. Schools have a responsibility to report on their use of Pupil Premium.

In the year 2017-18 Lighthouse School had 16 learners who are eligible for additional Pupil Premium.

The breakdown of the learners accessing Pupil Premium is:

16	Secondary Free School Meals
1	Looked After
	Adopted Children
	Service Children

The Government has allocated Pupil Premium to the Lighthouse School through the funding mechanism described below:

Free School Meals	£935 per learner in year groups 7 to Year 11
Looked After	£1899 per learner
Adopted Children	£1,900 per learner
Service Children	£300 per learner

The total amount allocated was therefore:

Free School Meals	£14025
Looked After	£1900
Adopted Children	£0

Service Children Recorded as 'ever 4 service'	£0
---	----

Therefore the total amount allocated to Lighthouse School 2016/17 = £ 16859

Use of Pupil Premium 2017-2018

Building upon the success of Pupil Premium allocation for 2017-2018, we consider that maintaining a commitment to investing in resources and intervention work is a priority. We will also allocate funding to enhance and enrich the learning experiences for our most vulnerable pupils by providing opportunities to attend and participate in extracurricular activities.

The school works on a basis of 3 students to 1 member of staff. All pupil premium pupils access at least 2 hours of additional 1:1.

Menu of support

- Parents are offered a Hygiene routine in school for their child if necessary. These students are taken to the supermarket and items are purchased by school based on their preference
- Two hours weekly 1:1 mentoring for pastoral care from Wellbeing and to support students to make sense of the environment
- Early help practitioner to help families and 1:1 pull out for pastoral care.
- Meeting with Key workers including meetings and telephone calls. Home/school liaising allowing for a safe school and home environment to help access student's personalised curriculum.
- Transport to Community and 1:1 teaching of functional skills in the local environment and to reinforce class based teaching.
- Two hours weekly with a Wellbeing staff member to support student's emotional wellbeing and support their behaviour and access to learning.

Actual Costs

- 9 students 1:1 x 2 hours per week – $13.34 \times 720 = £9,604$
- Cash for students learning buying items 18 pupils x £15 = £270
- Shine contributions and Food 18 x £10 = £300
- Early Help £1951
- PP Plus £1900
- Pupil Premium Plus student - A weekly hours of therapeutics around attachment based sessions to improve attending and behavioural control to support their academic achievement.

Impact of the use of funding is evidenced in each pupil's case study and includes:

- Intensive mentoring to manage anxiety levels and the students complex needs in order to improve engagement in learning
- 1:1 curriculum which encompasses outdoor learning and other cross curricular learning opportunities to raise achievement and help manage the pupil's anxieties.
- Enrichment activities in trips and visits, along with access to technology overcome barriers to learning to assist students with academic learning.
- Additional wellbeing support is available to help students vocalise any concerns and reduce anxiety which could become an inhibitor to academic engagement.
- Family support to enable family members to support the students learning and so raise achievement.
- Support to improve attendance
