

British Values

British Values are important principles that everyone who lives in the UK should try and follow. They are about having respect for everyone's rights, fairness, following the law and making sure everyone has a say in decisions that affect them. These values help everyone get along better and make the country a fair and safe place to live.

Democracy

Democracy means that everyone who is old enough gets to vote on who makes the big decisions in the country. This way, everyone's voice matters, and the leaders work for what most people want.

Rule of Law

The rule of law means that there are rules everyone must follow, even the leaders of the country. These rules help keep everyone safe and make sure people are treated fairly. If someone breaks the rules, there are fair ways to figure out what happens next.

Respect & Tolerance

Respect and tolerance are about understanding and accepting that other people might have different beliefs, opinions, or lifestyles. It is important to be kind and considerate towards everyone, even if they're different from you.

Individual Liberty

Individual liberty means that you have the freedom to be yourself, as long as you don't harm others. You can speak your mind, choose your friends, and have your own hobbies. It's about having the freedom to make choices about your life.

Ambition

Respect

Devotion

Optimism

Versatility

Innovation

Compassion

Happiness

As well as the British Values, that are woven through out our curriculum, we also pride ourselves on our school values.

Rule of Law

Classroom expectations and rules
Behaviour policy
Online safety and appropriate online behaviour
Lab safety rules in science
Learning about GDPR, copyright law and Computer Misuse Act
Teaching historical and modern laws
Understanding rights and responsibilities
Consent
Appropriate behaviour in the community
Rights, justice and laws through topics in RSHE and Humanities

Individual Liberty

Financial Literacy Programmes
Self Advocacy Skills
Understanding personal diagnosis
Celebrating achievements
Individualised student plans and personalised support
Leading Enrichment activities and work in wider community
Personal choice and making decisions
Developing independence and life skills

Where can British Values be found in our curriculum?

Democracy

Student Council
Student Voice
School surveys
Consultation activities
Democracy taught in RSHE
Debating
KS5 students supported to register to vote
Persuasive writing
Attending SEND summit and other visits to share student voice
Curriculum audits, students contributing to curriculum development

Respect & Tolerance

Prevent agenda
Diversity of authors, cultures and perspectives
Teaching different types of families and relationships
Championing neurodiversity and student identity
Learning about religious festivals
Visiting places of worship
Visitors from different faith communities
Understanding and respecting differing viewpoints
Restorative Practice
Teamwork and collaborative learning across subjects
