

LIGHTHOUSE TRAINING

UNDERSTANDING AUTISM TRAINING MODULES

We are delighted to offer this series of **interactive training modules** facilitated by the **specialist team** at **Lighthouse School**.

These modules will allow delegates to **gain insight**, further **understanding** and **practical strategies** about how you can **adapt** your practice to **best support** autistic learners in the classroom.

Delegates will have **opportunities** through group activities **to connect** with fellow educators, **exchange ideas** and **share best practice**.

Previous **delegates** have come away from Lighthouse School's training **feeling 'inspired' and 'motivated'** with 90% rating our service **5** out of **5**.

Autism understood: an introduction

Supporting sensory differences

Honouring autistic communication 1

Honouring autistic communication 2

Supporting emotional regulation in autistic learners

Managing emotional health anxiety, masking and burnout

Adapting teaching and learning for autistic learners

Supporting reading and writing across the curriculum for SEND

Supporting autistic students in the classroom

Supporting executive functioning

LIGHTHOUSE OUTREACH

We believe that early intervention and the right support can have a lasting impact and transform the lives of autistic children and young people.

Our outreach, training and consultancy services utilise the knowledge and expertise of our staff to deliver life changing outcomes for autistic children and young people in other provisions and at home.

Our approach is person-centred and tailored to meet individual needs.

Thank you to the Outreach Team for your support with our student and the changes we have seen have been fantastic!

**Primary
SENCO**

The outreach has been so beneficial to our students and staff and we have been able to implement the practical recommendations quickly and easily. **Senior Leader SEND**
