<td><u>English</u>

A Place That Matters
Write about a place that is important to you. It could be somewhere you visit regularly, somewhere from your past, or somewhere you dream of going.
Challenge
Make the setting reflect your emotions. Use at least three descriptive techniques.
Success Criteria:
Use sensory description.
Explain personal significance.
Engage the reader.</td>
<td><u>Maths</u>

Design Your Dream House
Create a floor plan for your dream home.
Include:
• Room dimensions
• Scale drawings
• Total floor area
Challenge
Which room takes up the greatest percentage of the house?
How could you redesign it to create more space?
Success Criteria
Use an appropriate scale.
Calculate dimensions accurately.
Explain design choices mathematically.</td>
</tr>
<tr>
<td><u>Science</u>

Science in Sport
Investigate how science helps athletes improve performance.
You could explore:
• Nutrition
• Muscles and bones
• Sports equipment
• Technology
Challenge
Design a new piece of sports equipment and explain how science makes it effective.
Success Criteria
Explain the science involved.
Give relevant examples.
Use scientific terminology.</td>
<td><u>Humanities</u>

Turning Point in History (History)
Choose an event that changed the world.
Examples:
• The Industrial Revolution
• The Norman Conquest
• The World Wars
• The Civil Rights Movement
Challenge
Explain whether this was the most important turning point in history.
Success Criteria
Explain what happened
Describe its impact
Use historical evidence or examples</td>
