

26th March 2021

Dear Parent/Carers,

Teacher Training Day - Tuesday 4th May

As you are aware School made the decision to postpone the February training day. This training day will now take place on Tuesday 4th May, following Bank Holiday Monday, and school will be closed to students all day.

Lateral Flow Device (LFD) Testing over Easter and reporting positive tests

We would like to remind all parents and carers, that students should continue to test twice weekly over the Easter break. Any positive Lateral Flow Device test results will need to be followed up by booking a PCR test. During the Easter break, please report any positive test results (LFD and/or PCR), to school by emailing ELT@lighthouseschool.co.uk this will enable us to track and trace where necessary, and reduce transmission of the virus. Please follow Government Guidance regarding self-isolation if anyone in your household receives a positive test result.

Safeguarding

As always, members of the safeguarding team will be available over the Easter break. Please contact safeguarding@lighthouseschool.co.uk if you need to speak to someone regarding a safeguarding concern.

School will close at the normal time, for the Easter holidays on Thursday 1st April and reopen on Monday 19th April.

Stay safe.

Yours sincerely,

Helen Manyanya
Deputy Principal
