Dear Parents/Carers,

Lateral Flow Device (LFD) Testing over half term and reporting positive tests

As half term comes to an end, we would like to remind all parents and carers that students should continue to test twice weekly over the half term break. Any positive Lateral Flow Device test results will need to be followed up by booking a PCR test. During the half term break, please report any positive test results (LFD and/or PCR), to school by emailing ELT@lighthouseschool.co.uk this will enable us to track and trace where necessary, and reduce transmission of the virus. Please follow Government Guidance regarding self-isolation if anyone in your household receives a positive test result.
