

The Christmas Experience

RELAXED SANTA'S ELF VILLAGE VISITS

Come on down to Santa's Elf Village to meet Snowy Flake and his friends under the magical wishing tree for stories and elf tales of old and new. Visit Dizzy Bells in Reindeer Emporium and take home some magical reindeer feed for Rudolph and his reindeer friends in time for Christmas Eve. Pop by and say hello to Postmaster Pippin McJingles in Ye Olde Post Office Central to ensure your letter to Santa is safely on its way. Finally meet the main man himself in Santa's Cabin for a special Christmas one to one, and a little present for the journey home.

Children can then enjoy The 12 Days of Christmas Woodland Walk through the Captains Wood and explore what the twelve days of Christmas has to offer. Go and find the fairies in their secret hideaway Fairy Dell or marvel in the splendour of the Edwardian House with the rooms dressed in all their festive finery and glory.

Slots can be booked to visit the Christmas Experience for young people with additional needs. Santa's Elf Village and Santa will be setup as drop in sessions so you are free to explore the Elf Village activities and Santa at your leisure.

Relaxed visits are on Tuesday 1st and Tuesday 8th December from 3.00pm – 6.00pm. Your 30min arrival slot must be pre-booked via box office on 0113 3760318
